## The talk of the town . . .

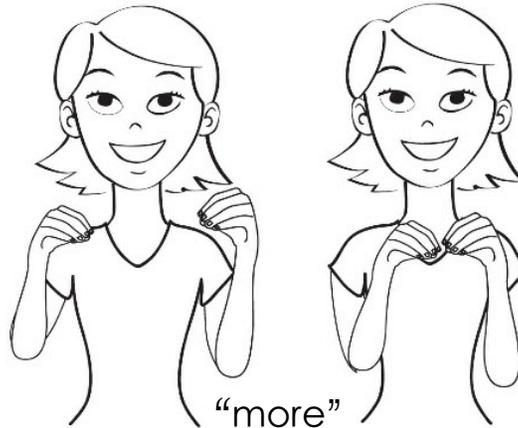

“The exposure to the guitar and drums were a great introduction into her getting comfortable with making music... she enjoyed the songs and hand motions and jumping.” -Jennifer Chang

“Even at such a young age, all the children in class respond so well and so quickly!”

“The songs and musical instruments were appropriate and always very engaging. I’d recommend this class to anyone!” -Tory Todaro

## Baby Signing will help you to . . .

- > Communicate with your pre-verbal baby
- > Improve cognitive and emotional skills
- > Increase verbal development and
- > Deepen your parent/child bonding time
